Product Description

IP65 Rated Waterproof LED Flood Light with 4.92x3.85x4.92inch Dimension

Product Description:

Introducing the Waterproof LED Flood Light

The Waterproof LED Flood Light is the perfect solution for both indoor and outdoor lighting needs. With its powerful 15W/30W power, 180 degree beam angle, and 1500LM luminous flux, this LED lighting solution provides superior illumination and coverage. Its IP65 waterproof rating and 2-year warranty make this LED floodlight the perfect selection for both residential and commercial applications. Suitable for any environment, this waterproof LED floodlight is as rugged as it is reliable. The light measures 4.92*3.85*4.92inch, making it a compact yet powerful lighting solution.

Whether you need a waterproof lighting lamp for a backyard gathering, LED waterproof lighting for a garden, or high power lighting for a commercial area, the Waterproof LED Flood Light is the perfect choice. With its superior performance and long-lasting durability, you can trust that your lighting needs will be met.
